- i. Registered MD / DM, MS / DCH or equivalent qualifications conferred by National Board of Examinations.
- ii. Minimum 15 years of teaching experience of which 5 years should be as a recognized Postgraduate Teacher / Doctoral Degree Supervisor or 15 years of Professional Experience in the concerned specialty after acquiring Postgraduate Degree / Diploma qualification as the case may be.
- iii. Minimum 3 scientific publications in Indexed / Peer Reviewed National / International Journals of repute preferably Scopus, PubMed, Medler, Web of Science etc.
- iv. Must be a member of IMA AMS for 10 years
- v. Contributions for the advancement of Medical Education and active participation in IMA AMS, and have delivered orations, accredited lectures or served as faculty in IMA AMS events.
- vi. Willing to serve in the dissemination of knowledge and skills through IMA AMS platform.

IMA AMS Courses

IMA AMS conducts courses in medical specialties with sole intention of improving knowledge and skills of medical professionals in their respective fields. The duration of course in general is one year. These courses, however, are not recognized by MCI and Doctors undertaking these courses are not permitted to claim themselves as specialist or to display these certificates as additional qualification.

While conducting the courses the following pattern of revenue sharing has been adopted.

1. 40% share to IMA AMS Headquarters
2. 40% share to academic session
3. 20% share IMA AMS State for its maintenance
