Editorial

In March, we had the pleasure and honor to receive our beloved National President

Dr. Sharad Kumar Agarwal at the IMA AMS HQs at Hyderabad. His visit was truly an inspiration to carry forward our work and take AMS to greater heights. During his visit the AMS wing of Hyderabad City Branch was inaugurated paving the way for a feast of academics at the largest branch in Telangana State. We participated at the Walkathon on World Health Day- IMA Samarpan Divas on 7th April at New Delhi and the enthusiasm was amply visible among all the participants. It was indeed a proud moment to witness the inauguration of Chandigarh IMA AMS Chapter. We congratulate the entire organizing team of the

North Zonal Conference for a very nice academic program. We hope to carry forward this momentum and open AMS Chapters in States and Union territories where they are not yet formed. The CWC meeting at Statue of Unity, Gujarat exemplified extraordinary organizational skills, wonderful hospitality and great coordination under the able guidance of our visionary leader **Dr. Ketan Desai** and astute leadership of our Honorary Secretary General **Dr. Anil Kumar J Nayak**. The message of UNITY was loud and clear and is the need of the hour.

What unity can achieve was truly epitomized by the successful outcome against the RTH in Rajasthan led by the National IMA and the stupendous efforts of the entire Rajasthan IMA. This will serve as a mantra in all future

strategies to achieve our just and legitimate objectives.

We had a very fruitful first governing council meeting at Chandigarh and the commitment and passion for IMA AMS was abundantly displayed by all the members. We also presented our budget and accounts at the IMA Finance Standing Committee meeting at New Delhi and salute the excellent work being done by our Honorary Finance Secretary **Dr. Shitij Bali**.

We are grateful to our Chairman **Dr. Pankaj Mutneja** for his leadership and all the Office bearers of IMA HQs and IMA AMS for their support and encouragement.

We hope to start AMS courses at many centers and request cooperation from all the States and UTs.

Long live IMA!

Dr. Srirang Abkari
Hony. Secretary, IMA AMS

Message: Dr. RV Asokan, National President Elect, IMA

Dear Dr Pankaj Mutneja and Dr Srirang Abkari,

I am glad to note that IMA AMS has been

very active this year under your leadership.

Dr Pankaj Mutneja brings vast experience in IMA in his efforts and Dr Srirang Abkari brings fresh enthusiasm into the activities of IMA AMS.

I am sure your term in office will be written in golden letters in the history of IMA AMS. There is no other institution like IMA AMS and the frontiers of IMA AMS have to be pushed further.

The activities need to increase in depth and diversity. IMA AMS can bring qualitative change in training qualified medical practitioners in various skills of the profession.

Acquiring skills is a never ending process in the medical profession. I

am sure under your leadership IMA AMS will be able to raise the benchmark higher in increasing the professionalism of our members.

Wishing you all the best in this endeavour!

Yours sincerely

Dr R V Asokan,
National President Elect IMA

Chairman Speaks

OUR DYNAMIC TEAM IMA AMS

It gives me great pleasure to see that this edition of our Newsletter has seen the light of the day. My team has worked tirelessly in collecting all the activities of AMS across the country to share with you.

I am happy to note that states like Tamil Nadu, Kerala, Karnataka, Telangana and Orissa are doing a splendid job in keeping the flag of IMA AMS flying high. I wish to communicate with other State Chapters of IMA AMS so that regular activities start in all the states.

I am happy to note that Chandigarh Chapter of IMA AMS was given birth by the great efforts of Dr. RS Bedi, Dr. Ramneek Sharma, Dr. Har Vinod Jindal, Dr. Vivek Malhotra and their team and I would like to

congratulate them for their resolve and hard work to make new members and open the Chapter.

We hope that the next new Chapter of IMA AMS Rajasthan will see the light of the day before the next newsletter is released.

Looking forward to your cooperation in spreading the activities of IMA AMS throughout India including the courses so that our members may update their knowledge and skills and put it into practice for treating the patients.

Long live IMA!

Dr. Pankaj Mutneja
